

RhizoFlo[®]

Reg. No. L8899

Act No. / Wet Nr 36 of / van 1947

READ ATTACHED PACKAGE OR LEAFLET BEFORE USE
KEEP OUT OF REACH OF CHILDREN AND ANIMALS

**High quality, high bacterial concentration inoculant for N-fixing (nitrogen).
Only for use in soya bean seed.**

**Hoë kwaliteit, hoë konsentrasie entstof vir N-binding (stikstof).
Slegs vir gebruik in sojaboonsaad.**

If medical advice is needed, have product container or label at hand.

Aktiewe bestanddeel:

Active Ingredient:

Bradyrhizobium japonicum minimum 5 x 10⁹ (5 billion) viable cells / ml

2 x 3 l

Registered by:

BASF South Africa (Pty) Ltd
Co. Reg. No. 66/10235/07
852 Sixteenth Road
P.O. Box 2801
Halfway House 1685
+27 11 203 2400

Geregistreer deur:

BASF Suid-Afrika (Edms) Bpk

PROTECTIVE MEASURES

- Keep out of reach of children, uninformed persons and animals.
- **RhizoFlo®** is non-toxic and non-hazardous.
- When applying to chemically treated seed, use protective measures (such as gloves and masks), appropriate to the chemical treatment.
- Applying too much inoculant will not have any adverse effect on the seed or crop.
- Store in a cool place and do not leave the product or mixture standing in the sun.

Although this remedy has been extensively tested under a large variety of conditions, the registration holder does not warrant that it will be efficacious under all conditions, because the action and effect thereof may be affected by factors such as abnormal soil, climatic and storage conditions, quality of dilution water; compatibility with other substances not indicated on the label as well as by the method, time and accuracy of application. The registration holder, furthermore, does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animals; the lack of performance of the remedy concerned due to failure of the user to follow the label instructions, or to the occurrence of conditions which could not have been foreseen, in terms of registration. Please consult the supplier in the event of any uncertainty.

PRECAUTIONS

Precautionary Statements

- If medical advice is needed, have product container or label at hand.
 - Keep out of reach of children.
 - Read label before use.
- Store below 25°C away from direct sunlight. Under no circumstances allow storage temperatures to exceed 30°C for long periods of time.
 - Do not use inoculant that has passed its expiry date, or that has not been correctly stored.
 - Keep inoculant and inoculated seed in a cool place out of direct sunlight and plant as soon as possible.
 - If not planted within 24 hours, the seed must be re-inoculated.

FIRST AID TREATMENT

Remove contaminated clothing.

ON CONTACT WITH EYES:	Wash affected eyes for at least 15 minutes under running water with eyelids held open.
ON INGESTION:	Rinse mouth and then drink 200 – 300 mℓ of water.
ON SKIN CONTACT:	Wash thoroughly with soap and water.
IF INHALED:	Keep patient calm, remove to fresh air.

TREATMENT: Symptomatic treatment (decontamination, vital functions).

DIRECTIONS FOR USE: USE ONLY AS DIRECTED

APPLICATION INSTRUCTIONS:

- **RhizoFlo®** should be applied onto seeds within six hours of opening the sachet.
- Apply at a rate of 400 mℓ per 100 kg of soya bean seed, and mix manually or mechanically until all the seeds are evenly coated.

GUARANTEE

This product contains a minimum of 5×10^9 (5 billion) viable cells of *Bradyrhizobium japonicum* per mℓ, provided that the product is stored correctly.

WARRANTY

BASF SOUTH AFRICA (PTY) LTD warrants that **RhizoFlo®** Inoculant conforms to the above description. It will produce satisfactory nodule formation when used under favourable soil and climate conditions, according to the directions, with the legume crop specified on the label, and before the expiry date. BASF SOUTH AFRICA (PTY) LTD'S sole obligation in the event of breach of this warranty shall be to refund the purchase price or replace the defective product. BASF SOUTH AFRICA (PTY) LTD shall not be liable for, and disclaims all consequential damages whatsoever. Without limiting the foregoing, BASF SOUTH AFRICA (PTY) LTD shall not be responsible for loss or partial loss of crop from any cause whatsoever. BASF SOUTH AFRICA (PTY) LTD expressly disclaims and excludes any implied warranty of merchantability or fitness for a particular purpose. BASF SOUTH AFRICA (PTY) LTD shall not be subject to any other obligation liability or remedy, whether arising out of breach of contract warranty (including negligence and strict liability), or other theories of law or remedies. In using this product, the user accepts the above terms and conditions.
