

The Chemical Company

RhizoFlo®

Reg. No.: L8899

Act No. 36 of 1947

For full particulars see enclosed pamphlet

High quality, high bacterial concentration inoculant N-fixing (nitrogen), for use in soya bean seed.

Active ingredient: *Bradyrhizobium japonicum* minimum 5×10^9 (5 billion) viable cells / ml
Aktiewe bestanddeel:

Reg. Nr: L8899

Wet Nr 36 van 1947

Vir volle besonderhede verwys na ingeslote pamflet

Hoë kwaliteit, hoë konsentrasie innokulant N-binding (stikstof), vir gebruik in sojaboonsaad.

Vol. / mass:

400 ml

Registered by:

BASF South Africa (Pty) Ltd.
Co. Reg. No. 66/10235/07
P.O.Box 2801
Halfway House 1685

Geregistreer deur

BASF Suid Afrika (Mpy) Bpk.
Mpy Reg. Nr 66/10235/07
Posbus 2801

Batch Number / Lotnommer

Date manufactured / Datum vervaardig

®Registered Trade Mark of BASF:
Geregistreeerde Handelsmerk van BASF

EMERGENCY NUMBER / NOODNUMMER: +27 (0)31 769 2003

Approval code: 03 / 04 / 2014

LH-188 ZA1054

**CAUTION
VERSIGTIG**

PROTECTIVE MEASURES

- Keep out of reach of children, uninformed persons and animals.
- **RhizoFlo®** is non-toxic and non-hazardous.
- When applying to chemically treated seed, use protective measures (such as gloves and masks), appropriate to the chemical treatment.
- Applying too much inoculant will not have any adverse effect on the seed or crop.
- Store in a cool place and do not leave the product or mixture standing in the sun.

Although this remedy has been extensively tested under a large variety of conditions, the registration holder does not warrant that it will be efficacious under all conditions, because the action and effect thereof may be affected by factors such as abnormal soil, climatic and storage conditions, quality of dilution water; compatibility with other substances not indicated on the label as well as by the method, time and accuracy of application. The registration holder, furthermore, does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animals; the lack of performance of the remedy concerned due to failure of the user to follow the label instructions, or to the occurrence of conditions which could not have been foreseen, in terms of registration. Please consult the supplier in the event of any uncertainty.

PRECAUTIONS

- Store below 25 °C away from direct sunlight. Under no circumstances allow storage temperatures to exceed 30 °C for long periods of time.
- Do not use inoculant that has passed its expiry date, or that has not been correctly stored.
- Keep inoculant and inoculated seed in a cool place out of direct sunlight and plant as soon as possible.
- If not planted within 24 hours, the seed must be re-inoculated.

DIRECTIONS FOR USE:

USE ONLY AS DIRECTED

Application instructions:

- **RhizoFlo®** should be applied onto seeds within six hours of opening the sachet.
- Apply the contents of the inoculant sachet (400 m μ) to 100 Kg of soya bean seed, and mix manually or mechanically until all the seeds are evenly coated.

GUARANTEE

This product contains a minimum of 5 x 10⁸ (5 billion) viable cells of *Bradyrhizobium japonicum* per m μ , provided that the product is stored correctly.

WARRANTY

BASF SA Limited warrants that RhizoFlo® inoculant conforms to the above description. It will produce satisfactory nodule formation when used under favourable soil and climate conditions, according to the directions, with the legume crop specified on the label, and before the expiry date. BASF SA Limited's sole obligation in the event of breach of this warranty shall be to refund the purchase price or replace the defective product.

BASF SA Limited shall not be liable for, and disclaims all consequential damages whatsoever. Without limiting the foregoing, BASF SA Limited shall not be responsible for loss or partial loss of crop from any cause whatsoever. BASF SA Limited expressly disclaims and excludes any implied warranty of merchantability or fitness for a particular purpose. BASF SA Limited shall not be subject to any other obligation liability or remedy, whether arising out of breach of contract warranty (including negligence and strict liability) or other theories of law or remedies.

In using this product, the user accepts the above terms and conditions.
